DOCKET NO. 2006-6-G – ORDER NO. 2006-614
OCTOBER 20, 2006

IN RE: South Carolina Pipeline Corporation –) ORDER APPROVING
Annual Review of the Purchased Gas) APPLICATION OF
Adjustment and Gas Purchasing Policies) REFUND

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Pipeline Corporation (SCPC or the Company) for approval of the application of a refund of \$154,390.64 (including interest) as a credit to the SCPC Weighted Average Cost of Gas (WACOG) and Industrial Sales Program (ISP).

SCPC states that it received a refund from Transco (Docket Nos. CP88-391 and RP93-162) in the amount of \$153,837.25. SCPC requests approval to process this refund through the SCPC October 2006 cost of gas prior to the merger date now scheduled for November 1, 2006. SCPC states that this refund is from Transco's cash out mechanism to their gas cost for the annual billing period August 1, 2005, through July 31, 2006. Based on SCPC's transactions with its customers for this same time period, the refund will be applied to the WACOG customers (90.07%) and the ISP program (9.93%).

SCPC will accrue \$553.39 in interest related to receipt of the refund in October 2006. Accordingly, SCPC requests that we approve the application of the total refund of

\$154,390.64 (including interest) as a credit to the WACOG and ISP program according to the percentages set forth above.

We have examined this request and hereby approve that the refund be applied as requested. Application to the WACOG and ISP as stated is reasonable and in the public interest.

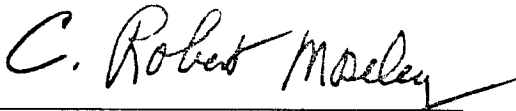

This Order shall remain in full force and effect until further Order of the Commission.
